# Cocktails

The British beverage is almost as much a tradition as the cup of tea. Enjoy our extensive list of artistically prepared specials with the new Old Fashioned Menu – used by many as the standard by which to test the salt of any bar to the popular Negroni Menu. To quench your thirst, look further to our Sparkling Cocktails and Sharing Punches

## YE OLDE FASHIONED

Despite its short list of ingredients, many would argue that the Old-Fashioned (or Whisky Cocktail) is anything but simple – in fact, its lack of frilly adornments is exactly what elevates it to such regal complexity and what gives it the status of one of the world's greatest cocktails.
